**English Biofilmography**

Daniele Ricci (Viareggio, ITALY, 1987) and Emanuele Ricci ( Pietrasanta, ITALY, 1995) are two brothers and directors from Tuscany. In 2013, together with the actor and director Eugenio Krilov, they founded Red Planet Production, a small independent production company. Since then they've made several short films and documentaries, participating and winning in some Italian and international festivals such as the Imperia Video Festival (2014), FiPiLi Horror Festival (2017), Frostbite International Film Festival (2017), Sci-fi Underground Filmfest (2017) and many others. Between 2022 and the beginning of 2023 they wrote and produced Juggernaut, a dark fantasy short movie shot entirely in Tuscany and Liguria. The Ricci's brothers directed the movie, while Eugenio Krilov played the lead role.
