Rules & Terms

The official festival language is English.

The festival accepts films in any language from around the world according to the terms mentioned in the rules of the category.

All films in the non-English language must have subtitles in English.

All films must be completed in production in 2019 or later.

The festival accepts web links or uploaded to the festival website materials only, DVDs are not accepted.

After a film has been officially selected, the filmmaker will be notified.

Official selection does not mean that the filmmaker's film will be screened or awarded at the festival.

All submissions must be completed by the date indicated on the festival's website.

All submissions to the festival are to be paid by credit card or PayPal via the platforms mentioned on the festival's website.

The submission fee is non-refundable.

The festival does not give any fee waivers.

The selected films are shown live at the venues determined by the festival producers for the current festival edition.

Films may be shown online on the festival website in addition to live screenings unless the director prohibits it.

Awards, Prizes, Winners Determination.

The Category Award Winners are determined by the Festival Jury.

The Fan Award Winners are determined according to the voting on social media.

The Festival Winner is determined by audience voting during the live event.

The Festival Winner receives the Trophy.

The festival's producer reserves the right to change prizes and awards without any notification to participants (or winners).

Winners are responsible for all applicable federal, state, province or territory and local taxes, if any, as well as any other costs and expenses associated with prize acceptance or use not specified herein as being provided.

The Festival Producer may set the additional awards, award signs, and prizes before the event.
